# Tri-State Youth Baseball Academy Business Plan

## **Mission Statement**

Tri-State Youth Baseball Academy is dedicated to saving our young male and female African Americans, Caucasian, Hispanic, Asian or any color or creed. Our neighborhoods have deteriorated because of a lack of love respect and male family figures. By re-introducing baseball to the communities, we will restore discipline, respect and love for the game of baseball. This program will incorporate school tutoring, church attendance and respect for adults and self.

## **Market Analysis**

The founding group of Tri-State Youth Baseball Academy has an extensive history of baseball and some are former professional players, high school football coach and former WDIA baseball players. The TSYBA Committee will recruit young male and females from all communities to provide training in the area baseball. Our communities have not played baseball over the past 20 to 25 years when it was a major sport.
